

NORWALK
Little Free Library Project

Time: 10am-2pm

Location: Field of Dreams Norwalk YB 15014
Studebaker road, Norwalk, CA 90650

This group will be building, finishing/painting, and installing freestanding mini libraries in the Norwalk community to tackle literacy issues that result in poverty and incarceration of the venerable youth in our neighborhoods.

For more info or to join, contact:

Sayaka Ponce, 562-409-5567

CANOGA PARK
Build and Beautify

Time: 9am-1pm

Location: Lanark Park (Canoga Park)

This group will be building an Empowerment Garden that contains a pop-up library filled with books, benches where stories can be read and a garden to enjoy.

There will be a special recognition of young people for their outstanding leadership and selfless service. For more info or to join,

LENNOX
Solar in the City

Time: 3pm-6pm

Location: Lennox, CA

Members of CCEO YB will be partnering with GRID Alternatives to educate and connect Lennox residents to free Solar PV incentive programs available in their communities. Installing a Solar PV system can save residents hundreds of dollars on their yearly electricity bill, creates local job opportunities and is an important step in the fight against climate change! SOUTH CENTRAL
Pop Up Youth Center and
Beautification Project

Time: 9am - 3pm

Location: 6525 S. Normandie Ave.,
Los Angeles, CA

Students from South Los Angeles YouthBuild Programs will be beautifying an abandoned garden and setting it up as a Pop Up Youth Center. This pop up center will have various workshops and resources such as information about programs in the area, TAY housing, etc. to the locals in the area.
